## The Seed of Chaos

*featuring Ray Alder**(Fates Warning, Redemption, A-Z)***OUT JULY 3, 2026**

The Seed of Chaos — the debut progressive metal concept album from Ruin and Reverie, featuring Ray Alder (Fates Warning). Ten tracks. One epic journey. Out July 3, 2026.

**THE STORY**

Ruin and Reverie is a progressive metal project led by Seattle guitarist Peri Rocha, with co-writing and lead vocals by Ray Alder (Fates Warning, Redemption, A-Z). Across ten interconnected tracks, The Seed of Chaos chronicles humanity's final chapter on Earth and its first steps into the unknown — heavy and melodic, intricate and cinematic, a journey designed to be heard front-to-back.
